## FREDERICK MAUCK OF FREDERICK CO., VIRGINIA

By James P. Mock

In the past there has been more than one family history compiled on the descendant's of **Frederick** and **Motlena Mauck** who resided in Frederick Co., VA in the 1760's and 1770's. Several recent discoveries have revealed information that has changed several of these previous works. In an effort to present the most accurate record of this family as possible, the author has started the work on these lines over from scratch including only documented sources. Connections to this family that cannot be proven and are suspected are indicated as such.

What follows is a list of the first three generations. The author has much more on these lines and is compiling what will hopefully one day become a book on the **Mauck/Mauk/Mock families of Frederick Co., VA**. Individuals having information on any of these families are requested to contact me at the below address. If you would like to send information to be included in this work it would be very much appreciated. **PLEASE INCLUDE YOUR SOURCES.**

**1.Frederick Mauck** b. before 1733; d. between 01 Mar & 04 Mar 1779, Frederick Co., VA  
m. **Mary Magdalene (Motlena)** d. after May 1784; m#2 bet. 23 Oct 1780 & 04 Jan 1781  
**Jacob Stearly**

The first record of Frederick Mauck appears in Frederick Co.,VA when he purchased 188 1/2 acres of land on Milbourn's Spring Run, a branch of Opecquon Creek, from Jeremiah Wood 12 Mar 1763 (Deed Bk #8 pp 320). Frederick's will was dated 01 Mar 1779 and proved 04 Mar 1779 in Frederick Co.,VA (Will Bk #4 pp 440). It names his wife as Motlena and his children as Mathias, Michael, Frederick and Barbara.

Assuming Frederick and Motlena were of age when their first son (Mathias) was born (about 1751) their dates of birth would likely be before 1733.

In Frederick Co., Virginia Deed Bk #23 page 36 dated 21 Jan 1791, Mathias and Michael Mauck state "In consideration of Jacob Stearly having given us a bill of sale of all his effects we do hereby obligate ourselves and our heirs to make him and his wife, our mother, with very comfortable necessary provisions and clothing for and during their natural lives...". In Frederick Co.,VA Deed Bk #19 pp. 222 dated 4 Jan 1781 Jacob Stearly and his wife Mary deeded land on Litter's Run, a branch of Opecquon Creek, to Frederick and Michael Mauck. This is the first time Jacob Stearly and Mary are found married. In Frederick Co., VA Deed Bk #19 pp. 218 dated 23 Oct 1780 Jacob Stearly deeded this same land to Mary Mauck. This provided the date range for the marriage of Jacob Stearly and Mary Mauck. Motlena's full name appears in Frederick Co., VA Deed Bk #20 pp. 150 dated 1 May 1784 when Jacob Stearly and Mary Magdalene sold property Jacob had acquired 2 Nov 1772. This was Jacob Stearly's second marriage. His first wife, Christian, is mentioned in Frederick co., VA Deed Bk #17 pp. 261 dated 3 Jun 1777.

In the 1787 tax list of Virginia there is a Widow Mauck listed. Motlena was remarried before this and it would be more likely that this would be Barbara Cryzer, wife of Frederick, son of Frederick and Motlena.

**1.1 Mathias Mauck** b. abt. 1751; d. 22 Jul 1802 near Winchester, Frederick Co., VA; m. abt. 1779 Frederick Co.,VA **Catherine (Anna) Crum**, dau. of Anthony Crum; m. #2 23 Jul 1803 Frederick Co.,VA, Frederick Kyle.

Mathias is identified as one of the sons of Frederick & Motlena Mauck in Frederick Mauck Sr.'s will (Will Bk #4 pp. 440). Mathias's parents are also identified in Frederick Co.,VA Deed Bk #23 pp. 65 when Mathias and his brother Michael promised to take care of Jacob Stearly and Mary, their mother.

Mathias and Anna's children are identified in Frederick Co., VA Land Bk (not a deed book) #1 pp.359, dated 6 Jan 1824 when a lawsuit was filed to divide up Mathias's land because he had not left a will and died interstate.

This record includes a hand drawn map showing each child's land they inherited. Mathias's wife is named as both Catherine and Anna, and their children are identified as Frederick, Anthony, George, John, Jacob, Elizabeth, David and Polly. The suit was initially filed in June 1807 and at that time John, Jacob, Elizabeth, David and Polly were minors. It also indicates Anna remarried Frederick Kyle.

On 26 Jan 1848 Anna Kyle filed a pension claim with the Court of Common Pleas, Muskingum Co., OH. She related the following information: Mathias was a Revolutionary War Veteran and also served in the Virginia Militia. She married Mathias at her father's house on what was called the Long Marsh in Frederick Co., VA about 1779, the minister being named Strite. Mathias was at the surrender of Cornwallis in 1781. Mathias died near Winchester, Frederick Co., VA 22 Jul 1802, aged about 51 years. She identified her marriage to Frederick Kyle and that he died in Harden Co., VA (probably Hardy Co., VA/WV) about 1823, after which she moved to Muskingum Co., OH. Attached to this claim is a statement by her son Anthony and his wife Sarah.

Catherine's second marriage 23 Jul 1803 is recorded in the Frederick Co., VA marriage register. The minister was James Walls. Catherine is identified as a daughter of Anthony Crum in Anthony's will (Frederick Co., VA Will bk #10 pp. 343).

**1.1.1 Frederick Mauck** b. 1779-1786; m. bef. Oct 1811, **Polly**

Frederick is identified as a child of Mathias and Anna in Frederick Co., VA Land Bk #1 pp. 359, dated 6 Jan 1824. This record was for a lawsuit filed in June 1807 to divide up Mathias's land because he had not left a will and died interstate. His parents are also identified in Frederick Co., VA Deed bk #SC7 pp 1, dated 01 Oct 1811 when Frederick sold land on Opecquon Creek that he had inherited from his father. This same deed identified Frederick's wife as Polly.

Frederick appears in the Frederick Co., VA property tax lists 1807-1810 alongside his brothers and sisters. Frederick's age range was obtained from the date of the marriage of his parents and the date of the above lawsuit, which indicated that in June 1807 he was over 21 years old.

Frederick is probably the Frederick Mauck in the 1810 census of Frederick Co., VA where he appears alongside his mother Ann Kile.

**1.1.2 Anthony Mauk** b. 16 Nov 1781 VA; d. 21 Apr 1850 Muskingum Co., OH; m. 09 Feb 1804 Frederick Co., VA **Sarah Price** dau. of George Price; b. 20 Feb 1788 VA; d. 14 Jun 1851.

Anthony's parents are identified in an affidavit he filed and attached to the pension application of his mother 26 Jan 1848 with the Court of Common Pleas, Muskingum Co., OH and in Frederick Co. VA Deed Bk #31 pp. 493 dated 10 Apr 1809, when Anthony and Sarah sold land that Anthony had inherited from his father Mathias. This land was on Milbourn Spring Run, a branch of Opecquon Creek. His parents are also mentioned in Frederick Co., VA Land Bk #1 pp 359.

Anthony's death is reported in the 1850 Mortality Schedule of Muskingum Co., OH as Apr 1850 at the age of 67 years. It also indicates his place of birth as Virginia. The cause of death is listed as unknown. Anthony and Sarah are buried in Jacob Cemetery, Newton Twp., Muskingum Co., OH. Their headstones indicate the above birth and death dates.

Anthony's marriage to Sarah Price is recorded in the Frederick Co., VA marriage register 9 Feb 1804, the minister being Christian Streit. Sarah's father is identified as George Price in Frederick Co., VA Deed Bk # 32 pp 25 dated Sep 1809, when Anthony and Sarah sold land on Opecquon Creek they had inherited on the death of her father, George Price.

The first census Anthony appears in on his own is the 1830 census in Newton Twp., Muskingum Co., OH. He is also in Newton Twp. in the 1840 census. Sarah is in the 1850 census of Newton Twp., that indicates her age as 62 and born in VA. She is enumerated with her son William and daughter Rebecca.

**1.1.3 George Mauk** b.1780-1790; d. before 23 Nov 1840, Muskingum Co.,OH; m. 25 Jul 1811 Frederick Co., OH **Elizabeth Mauk** d. before 4 Oct 1844.

George is named as a son of Mathias Mauk in Frederick Co.,VA Deed Bk #33 pp. 660. George's wife's first name appears in Frederick Co.,VA Deed Bk #33 pp. 499 where George sells land lying on both sides of Lick Run. He had received this land from his brother Jacob, who had inherited it from his father, Mathias, who had inherited it from his father, Frederick.

George's marriage to Elizabeth ,25 Jul 1811, appears in the Frederick Co., VA marriage register. The minister was John B. Tilden. There has been speculation that Elizabeth was George's cousin. No record of Mathias's brothers having had a daughter named Elizabeth has been found.

The first census George appears in on his own is the 1820 census of Muskingum Co.,OH. He is also in Newton Twp. in the 1830 and 1840 census. The census provided the range for his date of birth.

George's will appears in Muskingum Co.,OH Will bk #C pp. 313 and was proved 23 Nov 1840. Elizabeth's will appears in Muskingum Co., OH Will bk #D pp. 48 and was proved 4 Oct 1844.

**1.1.4 John Mauk** b. abt. 1786

John's parents are identified in Frederick Co.,VA Land Bk #1 pp 359 when he received land that had been owned by his father, Mathias. His date of birth was obtained from the date of the above lawsuit initially filed in June 1807 which indicated he was under 21 years old and the property tax lists 1807-1810 Frederick Co.,VA where he was listed as an adult without a guardian while his younger siblings are listed with their guardian. John does not appear in the Frederick Co.,VA guardian bond dated 6 Sep 1802.

**1.1.5 Jacob Mauk** b. 15 Aug 1792 VA; d. 11 Jan 1850 Muskingum Co.,OH; m. 28 Jan 1817 Frederick Co.,VA **Rebecca Weaver**.

Jacob's parents are identified in Frederick Co.,VA Land Bk #1 pp 359 when he received land that had been owned by his father, Mathias. Jacob also appears in a Frederick Co.,VA guardian bond dated 6 Sep 1802 when Catherine, his mother, and Anthony Crum are appointed his guardians. He is also in the property tax lists of Frederick Co.,VA 1807-1810, with his guardian indicated as Frederick Kyle.

Jacob's death is reported in the 1850 Mortality schedule of Muskingum Co.,OH and indicates his place of birth as VA and his death as Jan 1850. Jacob is buried in the Goshen Methodist Cemetery, Newton Twp., Muskingum Co.,OH. His headstone provided his birth and death dates (*Cemetery Inscriptions of Newton twp., Muskingum Co.,OH* by the Muskingum Co. Genealogy Society).

Jacob appears in the 1820-1840 census's of Newton Twp., Muskingum Co.,OH. Jacob's wife, Rebecca, appears in the 1850 census of Newton Twp., Muskingum Co.,OH Their marriage is recorded in the Frederick Co. marriage register 28 Jan 1817. The minister was John B. Tilden.

**1.1.6 Elizabeth (Betsey) Mauk** b. 1786-1802

Elizabeth's parents are identified in Frederick Co., VA Land Bk #1 pp 359 when she received land that had been owned by her father Mathias. Her date of birth range was obtained from the date of the above lawsuit initially filed in June 1807 which indicated she was under 21 years old, and the date of death of her father in 1802. Elizabeth also appears in a Frederick Co.,VA guardian bond dated 6 Sep 1802 where Catherine, her mother, and Anthony Crum are appointed her guardians. **1.1.7 David Mauk** b. 1786-1802; m. 29 Sep 1819 Frederick Co., VA **Polly Tigner**

David's parents are identified in Frederick Co., VA Land Bk #1 pp 359 when he received land that had been owned by his father Mathias. His date of birth range was obtained from the date of the above lawsuit initially filed in June 1807, which indicated he was under 21 years old, and the date of death of his father in 1802. David also appears in a Frederick Co., VA guardian bond dated 6 Sep 1802 where Catherine, his mother and Anthony Crum are appointed his guardians. He is also listed in the Frederick Co., VA property tax lists 1807-1810 with his guardian Frederick Kyle.

In the Frederick Co., VA marriage register, David married Polly 29 Sept 1819. William Tigner was the bondsman.

David is possibly the David Mauk in the 1820 census of Frederick Co., VA adjacent Catherine Mauk. It is unknown if this Catherine is his mother using her first husband's last name. David appears in the 1830 and 1840 census of Newton Twp., Muskingum Co., OH adjacent his brothers.

**1.1.8 Polly Mauk** b. 1786-1802

Polly's parents are identified in Frederick Co., VA Land Bk #1 pp 359 when she received land that had been owned by her father, Mathias. Her date of birth range was obtained from the date of the above lawsuit, initially filed in June 1807, which indicated she was under 21 years old, and the date of death of her father in 1802. Polly also appears in a Frederick Co., VA guardian bond, dated 6 Sep 1802, where Catherine, her mother and Anthony Crum are appointed her guardians. She is also listed in the Frederick Co., VA property tax lists 1807-1810 with her guardian, Frederick Kyle.

**1.2 Frederick Mauck** b. before 1766; d. 1784-1788; m. 16 Aug 1784 Frederick Co., VA **Barbara Cryzer** marriage #2 **Michael Mauck**.

Frederick is identified as one of the children of Frederick & Motlena Mauck in the will of his father (Frederick Co., VA Will Bk #4 pp 440) and in Frederick Co., VA Deed Bk #19 pp 220, when he and his brother, Michael, received land from Jacob Stearly and Mary Magdalene, Frederick's mother. Assuming Frederick was of age when he married Barbara Cryzer, his date of birth would be estimated before 1766. The date range for his death was estimated from the date of his marriage to the date of Barbara's second marriage to Frederick's brother, Michael.

Frederick and Barbara's marriage, 16 Aug 1784, appears in the Frederick Co., VA marriage register. The minister was Alexander Balmain and Barbara's last name is indicated as Kaiser. Frederick's marriage to Barbara and his relation to Michael Mauck also appear in the will of Michael Mauck in Frederick Co., VA dated 31 Dec 1829 (Will bk. #16 pp 67). Michael states in his will that Frederick was deceased.

In the 1787 tax list of Virginia there is a Widow Mauck listed. It is likely that this was Barbara Mauck (Cryzer).

**1.2.1 Mary Mauck** b. 1785-1788; m. Aug 1804 Frederick Co., VA **William Bean**

Mary is identified as a child of Frederick and Barbara in the will of Michael Mauck in Frederick Co., VA, dated 31 Dec 1829 (Will Bk #16 pp. 67). This will also identifies her husband as William Bean. Mary's date of birth is estimated between the dates of her mother's first and second marriage. Mary's marriage to William Bean, Aug 1804 appears in the Frederick Co., VA marriage register. The minister was John B. Tilden. The marriage register refers to Mary as Polly.

**1.3 Michael Mauck** b. before 1765; d. Dec 1829-May 1830; m. 21 Oct 1788 Frederick Co., VA **Barbara Cryzer**, dau. of Christopher Cryzer; d. before Dec 1829.

Michael is identified as a son of Frederick and Motlena in Frederick's will (Frederick Co., VA Will Bk #4 pp 440) and in Frederick Co., VA Deed bk #23 pp 65. Michael's wife and her father are identified in Frederick Co., VA Deed bk #46 pp 135, when Michael and Barbara received land on Chester Street in Front Royal, VA from her father. Michael and Barbara's marriage, 21 Oct 1788, is recorded in the Frederick Co., VA marriage register. The minister was Alexander Balmain.

Michael's will was written 31 Dec 1829 and probated 3 May 1830 (Frederick Co., VA Will bk #16 pp 67). In it he lists his children as George Mauck (dec'd), Nancy Larrick (dec'd), wife of Joseph Larrick, Rebecca Barrow and her daughter Louisa Barrow, Jacob Mauck, Frederick Mauck and Louisa Hammick, wife of Samuel Hammick. He identifies Mary Bean, wife of William Bean, as a daughter of his late wife (from Barbara's first marriage to Michael's brother Frederick). Michael lists the children of his son George as Jonas Henry, Abraham Pick, Robert and Michael George. He also leaves money to Catherine Lenheart, wife of Jacob Lenheart. Michael appoints Solomon Harmon and Joseph Larrick as the executor's of his will.

The Frederick Co., VA marriage register indicates that on 11 Dec 1828 Evalina Harriet Mauk married Solomon Harman. The minister was John Allemong. There has been speculation that Evalina was a daughter of Michael based on Solomon Harman being an executor of Michael's will. No proof has been found that Evalina was Michael's daughter. She does not appear in his will, however, there has been speculation that Michael may have written an earlier will. This will has not been found.

There has also been speculation that Catherine Lenheart was another daughter of Michael. No proof of this has been found and she is not indicated as his daughter in his will, unlike his other daughters.

In addition to the land in Front Royal, VA (later sold in Frederick Co., VA Deed Bk #42 pp 56, dated 15 Nov 1819 and described as being on Happy Creek in Front Royal), Michael purchased land on both sides of Back Creek in Frederick Co., VA Deed Bk #35 pp 162, dated 28 Dec 1812, purchased land on a drain of Crooked Run in Frederick Co., VA Deed Bk #45 pp 175, dated 22 Nov 1821 (later sold by executor's Joseph Larrick and Solomon Harmon in Frederick Co. VA Deed Bk #59 pp 426, dated 9 May 1832), sold land (inherited from his father) over the creek from Duvall's Spring in Frederick Co., VA Deed Bk #35 pp 267 dated 1 Apr 1813, and sold land on Littler's Run in Frederick Co., VA Deed Bk #35 pp 133 Dated 6 Apr 1813 (received from Jacob Stearly, mother's second husband in Frederick Co., VA Deed Bk #19 pp 222 dated 4 Jan 1781). Michael's will also mentions land owned on Back Creek and Busch Creek. Additional land purchases by Michael are shown in Frederick Co., VA Deed Bk 325 pp 546, dated 4 Feb 1799 and Frederick Co., VA Deed Bk #28 pp 192, dated 2 Jan 1804. These two do not provide a description of the exact location of the property.

In the 1787 tax list of Frederick Co., VA, Michael lists no white males 16-21, no blacks, 1 horse or mule and no cattle. Michael appears in the 1810 census (over 45 years) and 1820 census of Frederick Co., VA. This provided the estimate for Michael's date of birth. He also appears in tax levy's recorded yearly in Frederick Co., VA Court Minutes 1814-1826.

Michael may also be the Michael Mauck that appears in the estate sale of a George Mauck (Frederick Co., VA Will Bk #SC2 pp 193, dated 28 Oct 1808). This George, his wife Sophia and their children came from Pennsylvania to Frederick Co., VA probably in the late 1770's and resided near Middleton. It has been speculated, but not proven, that this George was a brother of Michael's father, Frederick.

**1.3.1 Frederick George Mauck** b. 16 May 1790; m. 30 Jul 1812 Frederick Co., VA **Eve Snyder**, M#1 Jacob Snyder.

Frederick is identified as a son of Michael and Barbara in his father's will (Frederick Co., VA Will Bk #16 pp 67) Frederick's parents, date of birth and marriage are reported in *Capon Valley* volume 2 by Pugh which quotes its source as the bible records of his son Frederick. Frederick's marriage to Eve Snyder, 30 Jul 1812 is also recorded in the Frederick Co., VA marriage register. The bondsman was Abraham Barrow and Eve is indicated as a widow of Jacob Snyder.

Frederick purchased land in 1817 in Hampshire Co., VA (Hampshire Co., VA Deed Bk #20 pp 346) and in 1823 (Hampshire Co., VA Deed Bk #24 pp 225). He appears in the 1830 census of Hampshire Co., VA. In 1835 he also purchased 70 acres in Hardy Co., VA on North River (Hardy Co., VA Deed Bk #3 pp 343).

Eve received a pension from the service of Frederick in the War of 1812 (*War of 1812 Bounty Land and Pension Applicants* by Patrick Warden).

**1.3.2 George Mauck** b. before 1803; d. before 31 Dec 1829; m. 2 Apr 1821 Frederick Co., VA **Elizabeth Christy**; b. \_\_\_\_, m. #2 22 Sep 1831 Frederick Co., VA **Robert Breedlove**.

George is identified as a son of Michael and Barbara in his father's will (Frederick Co., VA Will Bk #16 pp 67 dated 31 Dec 1829). In his will, Michael says his son George was deceased. The marriage of George and Elizabeth, 2 Apr 1821, appears in the Frederick Co., VA marriage register. The bondsman was James Christy. Assuming that George was of legal age when he was married he would have been born before 1803. In Frederick Co., VA guardian bonds dated 2 Apr 1821 (the date of her marriage) Elizabeth Christy is listed as an orphan of Robert Christy. Her guardian was James Christy.

George appears in Frederick Co., VA Court Minutes tax levy's 7 Jun 1820 and 7 Jun 1821 with his father, Michael.

George's estate appraisal appears in Frederick Co., VA Will Bk #16 pp 53 dated 3 May 1830. It lists a note of hand paid to James Christy 21 Aug 1826. George's estate sale appears in Frederick Co. VA Will Bk 316 pp 225 dated 2 Dec 1830. People that were paid money owed include Robert Breedlove and John Allemong. In the Frederick Co., VA marriage register Robert Breedlove married an Elizabeth Mauck 22 Sep 1831. The minister was John Allemong. It is likely, but not proven, that the Elizabeth who married Robert Breedlove was Elizabeth Christy, widow of George Mauck.

Elizabeth is likely the Elizabeth that appears in the 1830 census of Frederick Co., VA adjacent Abigail Shambaugh-Mauck (see below). Elizabeth's 2nd husband may be the Robert Breedlove in the 1850 census of Clay Twp., Morgan Co., OH. This Robert is enumerated with children, no wife, was the right age and was born in VA.

**1.3.3 Michael Mauck** b. abt. 1802 VA; m. 26 Feb 1829 Frederick Co., VA **Juliet Wilson** b. abt. 1806, VA, dau. of William Wilson b. abt 1777.

Michael is identified as a son of Michael in the will of Michael Mauck (Frederick Co., VA Will Bk #16 pp 67, dated May 1830). Michael appears in the 1850 census of Fairfield Co., OH next to his sister Louisa and her husband Samuel Hammick. Enumerated with Michael is his wife, children and William Wilson 73 years of age. Juliet is identified as Juliann in the census. Michael is listed as 48 years of age and born in VA.

Michael's marriage to Juliet, 26 Feb 1829, appears in the Frederick Co., VA marriage register. The minister was John Allemong. Michael is probably the Michael Mauck in the 1830 census of Frederick Co., VA and the 1840 census of Fairfield Co., OH.

**1.3.4 Nancy Mauck** b. 1788-1798; d. before Dec 1829; m. 30 Mar 1816 Frederick Co., VA **Joeseeph Larrick**, d. before 1847.

Nancy is identified as a daughter of Michael and Barbara in Michael's will (Frederick Co., VA Will Bk #16 pp 67). Michael's will also identified her husband as Joseph Larrick and that at the time of the will she was deceased. Nancy's date of birth range is calculated from the marriage of her parents and assuming she was of legal age when she was married. Nancy's marriage to Joseph, 30 Mar 1816, is recorded in the Frederick Co., VA marriage register. The minister was John B. Tilden.

Joseph left no will and his probate records begin appearing in 1847 (Warren Co., VA Will Bk #22 pp 137).

**1.3.5 Rebecca Mauck** b. 1788-1795; m. 22 Mar 1813 Frederick Co., VA **Abraham Barrow**

Rebecca is identified as a daughter of Michael and Barbara in Michael's will (Frederick Co., VA Will Bk #16 pp 67). Michael's will also identifies her married name of Barrow and her daughter Louisa Barrow. Rebecca's date of birth range is calculated from the marriage of her parents and assuming she was of legal age when she was married. Rebecca's marriage to Samuel, 22 Mar 1813, is recorded in the Frederick Co., VA marriage register. The bondsman was Michael Mauck.

**1.3.6 Louisa Mauck** b. abt 1805 VA; m. 23 Nov 1824 Frederick Co., VA **Samuel Hammock** b. abt 1803, VA.

Louisa is identified as a daughter of Michael and Barbara in Michael's will (Frederick Co., VA Will Bk #16 pp 67). Michael's will also identifies her husband as Samuel Hammock. Louisa's marriage to Samuel Hammock 23 Nov 1824 is recorded in the Frederick Co., VA marriage register. The minister was John B. Tilden.

Louisa appears in the 1850 census of Fairfield Co., OH next to her brother Michael and his family. She is enumerated with her husband and children, providing her date and location of birth.

**1.3.7 Jacob Mauck** m. 24 Mar 1817 Frederick Co., VA **Abigail Shambaugh** daughter of Daniel Shambaugh.

Jacob is identified as a son of Michael and Barbara in Michael's will (Frederick Co., VA Will Bk #16 pp 67). There is no direct evidence that this Jacob is the Jacob who married Abigail Shambaugh 24 Mar 1817, the bondsman being Marcus Baker. However, there is substantial circumstantial evidence that this is the same Jacob.

Michael Mauck owned Property on the drains of Crooked Run in what became Warren Co., VA (Frederick Co., VA Deed Bk #45 pp 175). Daniel Shambaugh's will identifies Abigail as his daughter and divides property he owned on Crooked Run (Warren Co., VA Will Bk #A pp 12). Benjamin Shambaugh is identified as Abigail's brother. Benjamin was paid money owed by the estate of George Mauck, Jacob's brother. Abigail appears in the 1830 census of Frederick Co., VA next to Elizabeth Mauck, the widow of George Mauck, brother of Jacob. Daniel Shambaugh's children also married Larricks' (Frederick Co., VA Guardian Bonds Jan 1803). Marcus Baker, the bondsman of Jacob and Abigail's marriage, was a public official in Cedarville, Warren Co., VA (Warren Co., VA Court Minutes Bk A p 151). Cedarville lies adjacent Crooked Run. Marcus Baker was involved in a lawsuit with Jonas H. Shambaugh (Abigail's brother) in 1839 (Warren Co., VA Chancery Orders Bk A p 16).

Jacob may be the Jacob Mauck who appears in the 1820 census of Mason Co., VA (WV). There are several other possibilities for the Jacob in this census, however, Jacob's son, Jonas (b. abt 1819) in the 1860 census indicates he was born in OH, other census's he indicated VA. Mason Co., VA is adjacent OH.

In 1850 Abigail is enumerated with her son Jonas in Warren Co., VA.

**1.4 Barbara Mauck** m. 12 Feb 1823 Frederick Co., VA **Abraham Supinger**

Barbara is identified as a child of Frederick and Motlena in Frederick's will (Frederick Co., VA Will Bk #4 pp 440). Barbara's marriage to Abraham 12 Feb 1823 is in the Frederick Co., VA marriage register. This bondsman was Michael Mauck.

## THE EARLY FREDERICK MAUCKS OF FREDERICK AND SHENANDOAH CO. VA. by Ronald M. Moore, M.D.

The Frederick and Motlena Mauck line in Frederick Co., VA has long baffled researchers as to their origin. The first record of Frederick there was when he purchased land from Jeremiah Wood 12 Mar 1763. Some have felt them to be immigrant ancestors from Germany having arrived here before the Revolution. Others believe they may have been born here and descended from an older Mauck family. One theory has been that this Frederick is a son of Peter Mauck who arrived in the Shenandoah Valley of Virginia in the mid 1730's. This theory is tempting because there is no question that Peter Mauck did have a son by the name of Frederick who was named in his will dated 1 Mar 1771 in Frederick Co., VA. This was a year before Shenandoah Co. was formed from Frederick Co.

The purpose of this note is not to shed any new light as to where Frederick and Motlena ultimately came from, but to help put to rest one theory as to which family he originated and that was that he was not a son of Peter Mauck who lived at Tom's Brook and who died in 1771 in Frederick Co.

There is evidence that this Frederick who owned property in Tom's Brook, which after 1772 was in Shenandoah Co., VA is a separate and distinct person from Frederick Mauck who was married to Motlena and lived in Frederick Co., VA and died in 1779.

There is a deed recorded in Shenandoah Co., Deed Bk. C, pp 354-355 that shows that Frederick Mauck and wife Margaret sold land to Martin Black in Tom's Brook which is the area where Peter Mauck lived. The date of this transaction was 26 May 1779. This property was part of the original division of the estate of Peter Mauck which was divided among his sons. There seems little doubt that this Frederick who was married to Margaret was the son mentioned in Peter's will.

On 1 Mar 1779 of the same year in Frederick Co., VA, Frederick Mauck who was married to Motlena signed his will and four days later he had died when his will was proved in Frederick Co. on 4 Mar 1779. (See MFH Vol. 1, No.4, May 1992) Frederick Mauck who was married to Motlena had been dead for more than two months when Frederick and Margaret Mauck signed the deed and sold their property in Tom's Brook, Shenandoah Co., VA. These two Fredericks then could not be the same person.

Little is known of Frederick Mauck and Margaret after they sold their property in Shenandoah Co. According to William Wolph in his book, *THE DESCENDANTS OF PETER MAUCK, 1708-1980*, he believed that they may have moved to Ohio. Although I personally have not made an exhaustive search for them, I know of no one else who has found them after 1779. I would be interested in corresponding with anyone who may have any additional information on this family, and would like to find out if they had any children.

**Andrew Mauk and Descendants of Sullivan Co., Tennessee**  
**by Vandy (Marilyn) Mauk**  
**edited by Steve Lapp**

Mrs. Vandy (Marilyn) Mauk of Bristol, Tennessee has spent many years and much effort in compiling the pedigree chart of her husband, Robert L. Mauk. We are very fortunate that she has mailed us this information and granted us permission to publish it in this quarterly. We have chosen to only include the first few generations. You may write to us for a more complete record and more detailed sources.

Andrew MAUK was one of the four male children of Peter MAUK and Julianna RHEINHART of Frederick Co., VA. The other three were John, Frederick, and Henry. A good account of Peter MAUK and his son John, along with most of John MAUK'S descendants, appears in William R. Wolph's excellent book, *"The Descendants of Peter Mauck 1708-1980"*. Mr. Wolph's research did not include information about Andrew and his descendants. Therefore Vandy Mauk's work offers a good addition and companion to the Wolph book.

Andrew MAUK was born about 1761, according to his 1832 pension application for having served in the American Revolution against the British. He was drafted into the Continental Army from Shenandoah Co., VA in 1779 and discharged from service in Randolph Co., NC in 1781.

In North Carolina records, reprinted in MOCK FAMILY HISTORIAN Vol. I, page 37, we find the baptisms of Esther and Sarah Mock, daughters of Andreas and Elizabeth Mock, at Heidelberg Lutheran Church in Rowan Co., NC, in 1791 and 1794. This matches other information we have on Peter's son Andrew, so this is definitely the same family.

"Abstracts of Deeds of Rowan Co., NC" by JoWhite Linn include a Dec 30, 1785 transfer of 250 acres on Bear Creek from Gasper Sein to Andrew MOCK for £50. This is most likely the same as Andrew married to Elizabeth.

Cora Lee Jones, a descendant, wrote in family records, "Andrew MAUK, Sr. came with other settlers from North Carolina about 1800, and built a log house in what is known as Silva Cola in Sullivan Co., Tennessee." In fact, 1797 tax lists for Sullivan Co. include Andrew Mauk.

According to family tradition, Andrew MAUK was married to Elizabeth BOWLES. The following is a list of their children and some of their descendants. Andrew Mauk died in Sullivan Co., Tennessee in 1834.

**FROM OUR MEMBERS-**

Dear Editor: Re: **Michael Maag (Mauk) Family of PA and Franklin Co., OH** - I am pleased with your good efforts to resolve the family history as it applies to me and the others to whom your letter was directed. I want to thank you for putting your data together in this fashion so that each of us can see in a quick glance what we are working with and therewith make changes necessary to bring about purity in our recorded data. In my experience no other group has offered this kind of coordination. -----.

Editor's note: Thanks for your comments, suggestions and deletions on the chart for Michael & Susanna Charlotte Walz. I will pass them on to others working on this line. If there are others working on this line that I have overlooked, please let me know and I will send you the "working chart" for this family.

A similar chart for **George Mock Sr. and Andrew Mock** of Edgefield Co., S.C. and Screven Co., GA has been mailed to those known researchers for that line. If you would like to be included, please let me know. B.D. Editor

**Correction for issue #2, 1993 - pp 21 from Ron Flloyd**

In item #5, line three, the transcription read "...**Mary** remarried in Orange Co., a George Tennyson Mock (my ancestor)...." Should have been transcribed to read "**Mary** remarried in Orange Co.(IN.) a **George Kelms (Kellums)** on 29 June 1817. John M. had three children by his 1st marriage: **George Tennyson Mock** (my ancestor) b. 25 Aug 1830, **Sarah Jane Mock** b. 11 Nov 1833 and **Mary Mock b. (?)**."

Volume 1 #6 - **Miller Bible** - I understand the difficulty in attempting to photo copy very old material & the reluctance by the owners to subject this bible to any further abuse, however, this type of information in its original form is invaluable to the serious genealogist. ....I for one would be willing to help defray cost to the owners provided they are willing to copy or have someone photograph these pages. One important piece of information that has not been provided is whether it can be ascertained if the recorded information was provided by the original owner of the bible or was transcribed by a later family member..... R. Floyd

• Ed. note: The Miller Bible records, sent to me by Jack Childers, were the hand written original records from the Miller Bible. I have copied these records and sent them to R. Floyd. If anyone else would like a copy, you may contact me or Jack Childers, RDd 3, Box 480, Fenwick Island, DE 19944.

Vol. 1 #5 **Philip Mock**: I find it difficult to make the leap from **Johannes Mock** (Berks Co., PA) to **Philip & Devault Mock**. Paragraph one identified Philip and Devault as brothers who are then "identified" in the Johannes Mock will mentioned in paragraph 3 which is noticeable devoid of any reference to a Devault Mock. There has been some inference that the **Theobald** mentioned is aka Devault or Devaulter. Theobald was a popular Germanic name, one which I have never seen translated into the form of Devault or Devaulter. Theobald was often converted to "David", the English equivalent, neither of which can be phonetically connected to the Devault name.

As I alluded to in my comments re Vol. 1 #1 pg 4.; it is clear, at least to me that the **Devaulter** that married **Phoebe Clinard** cannot reasonable be assumed to be the same person as that listed in the Rowan Co. taxpayers for 1759. If, as the article says, he was born in Germany in 1755, he was certainly the youngest landholder and property owner in the Colonies. A most plausible scenario might be that there were two Devault Mocks, the 1759 Devault being the Senior, leaving the probability that the three Mocks which are prominent in Rowan from 1778 onn (Peter, Devault and Philip) are brothers. Their ages and proximity certainly enhance this assumption. I would like to see the references mentioned in which Dr. Mann refers to deeds using both the Devault and Theobold names and what dates are involved. I am assuming that the deeds referred to are part of the Berks Co. (PA) deed records.

Ed. note: Do hope you Johannes Mock researchers will clear up these questions for Ron and let me know if there are corrections to be made in past MFH's.
