NORTH CAROLINA
CRAVEN COUNTY

To the Worshipfull Court of Craven County

Petition of Lydia Carmack, widow of James Carmack

show that your petitioner's husband inducted as a soldier in the Continental Army in the year 1776 and marched Northward with the troops of the State, where he remained as a soldier for some time and as your petitioner has understood did his duty as such until he dyed, leaving her much distressed with four small children which your petitioner with great labor and in much poverty have supported ever since. That she is now and has been for some time reduced with her children to great distress in some measure owing to the cancer on the ankle that has for more than three years rendered her unable to go about and consequently to earn a livelyhood and understanding there is a law provided for the relief of those distressed familys whose husbands have been killed or dyed in the service of their country, your petitioner prays the assistance and recommendation of this worshipful court to the next General Assembly.

That such suitable allowance may be made her as you in your justice shall think fit

and your petitioner will ever

Pray, &c

Lydia Carmack

I want to thank all who have contributed to the North Carolina research, so many of you have and I just want to thank all of you, one of our newest Carmack, North Carolina Researchers is Janice Keene, Richmond, Va. thanks Janice and we want to welcome you and your family to the hunt of the missing North Carolina Carmack's, I know you will welcome any help as you are a N. C. Carmack who is in search of your roots along with many others. Let's thank Charles Carmack, Garden City, Mi. for finding Janice.

In a letter Janice received from the Dept. of Archives & History, Raleigh, N. C., Military Information, letter dated May 2, 1847 to the clerk of the Co. Court, Randolph Co, from Dickerson Carmack. Dickerson states that his grandfather was John Carmack who lived and died in Guilford Co, this John being the son of John Carmack of Cravens Co. Dickeson Carmack also mentions that his grandfather had two sons William and John.

As we all know there is still a lot of work to be done on our N. C. Carmacks but one question what is the connection between James Carmack & wife Lydia, James Carmack that was a soldier in the Continental Army in the year 1776, . Mary Carmack, Estate Sale Dec. 21, 1786, and John Carmack who served in the Contiental Establishment enlisting around 1781. We must ask another question is there any connection between these Carmacks and the Carmack's in Frederick Co., Md., also Dennis & Bridgett Carmack and son James as we all have no information what happened to James, did he die or where did he go?
