A Congregational meeting called by the Trustees to say what should be done about repairing the Old Church or building a New one; to be held on Monday evening at 7 1/2 o'clock. After years, a new Call was issued! ~~The~~ meeting was held: the best change considered and adopted: money was subscribed: the work was started: it progressed, and the Liberality of the people rose with the tide of improvement and comfort, until an almost entirely new house occupied the place of its predecessor:

The work came to a close: the expense was met: no impediment of Debt stood in the way of Dedication; and the Church has a fair prospect of temporal prosperity opened up for the increased desire to honor Heaven and prepare to use the means of Grace:

Thanks be to Him that prompts, helps, prospers and secures every Christian Enterprise.
