# INTRODUCTION

The Act for the first census to be taken was passed at the second session of the First Congress and was signed by President Washington on March 1, 1790.

This census was to include free white males over sixteen years of age, free white males under sixteen years of age, free white females, all other free persons and slaves.

These lists for Virginia, as well as several other states, were destroyed when the British burnt Washington during the War of 1812 so an effort was made to locate duplicates but there seemed to be only some copies of State enumerations extant.

My effort has been to make use of the first personal property tax lists for those counties then extant in order to supply this deficiency. The lists are not absolutely conclusive since some men did not pay taxes if they were indigent, exempt for physical disabilities or if they held certain political or military offices. However, in some instances we find that some of the latter paid on some of their personalty.

Ordinarily it would have seemed wiser to have published the tax payers as they occurred in the original lists but in all but ten of the counties they have already been letter grouped by the enumerators so that any value as to neighbors has been destroyed.

Fayette and Lincoln Counties of the present Kentucky have been included, then being in Virginia, but the lists for Jefferson County having been removed to Kentucky could not be included as I am only using those lists in our State Archives.

The first tax assessments were ordered to be made in the year 1782 but some of them are not to be found so they were used for the extant counties, not included in the first census, at the first date to be found: Accomac for the year 1787; Augusta for the year 1782; Bedford for the year 1782; Berkeley for the year 1782; Botetourt for 1784; Brunswick for 1782; Buckingham for the year 1782; Campbell County for 1785; Caroline for 1783; Charles City for 1783; Culpeper County for 1783; Dinwiddie County for the year 1782; Elizabeth City for the year 1782; Fauquier County for the year 1782; Fayette, for the year 1787; Goochland County for 1782; Hardy County for the year 1786; Henrico County for the year 1782; Henry County for 1782; James City County for the year 1782; King George County for the year 1782; King & Queen County 1782; King William County 1782; Lincoln, 1787; Louisa County year 1782; Loudon County 1782; Lunenburg County 1782; Montgomery County 1782; Northampton County 1782; Prince George County 1782; Prince William County 1782; Rockbridge County 1782; Southampton County 1782; Spotsylvania, 1782; Washington County 1782; Westmoreland County 1783; York County 1784.
