Dear Will, mother all. Mother is better. can not help her self much yet. can not and use herself at right walks a few steps with help. eats well. Or thinks she will get along all night but may be 3 or 6 weeks. she can come down stairs. we had her her meals, and she stays in bed. has so far only sit up about an hour each day. is gradually getting stronger. Emma

Dear Will, Mother all. Mother is getting better gradually. gets about pretty well now. Frank has sold his place, and they will go to Tampa, Florida. will have a sale next Tuesday. he had given up hope of selling this spring and had started his farming. they will stay here a few days after the sale. Wish you could come up. Emma
