Dear Brother

I will write a few lines <sup>this</sup> morning  
& hope that you are feeling  
well we are all able to be about

I was in Terry yesterday the rent  
on the estate last year was \$855.00  
tax \$113. leaves \$742 and we  
made a distribution of \$800.-

to each. Carl will sent you  
check for same today

Tom made me a bid on  
the home place yesterday of  
\$10500.00 and said that was  
the best they would do, and  
would I think give us until the

First of march but I can't <sup>do</sup> quit  
share to that, but I don't think  
that Esther will take that  
for her part and I don't think  
that Mary will until she hears  
from the others you Ab & Frank  
The place is on the market at  
\$ 75<sup>00</sup> and 2½ percent of  
we are having fine weather
