Dear Brother

I rein landed here allright
this morning I was down to
Perry last Friday and Saturday
It is something in regard to
pas Bank Book It turned
cold I did not get Tom Carl
and Esther together but I in
tend to go tomorrow but I think
Tom is going to ship hogs to
night So I will go with next
day Carl and I where together
for two hours I think If it will
go as I have it planed then
Tom will get the place and if not

then Tom will be out of it
Tom Carl and ab will take
\$1500,00 each for their share
in the home place, Estup Engoy
~~Carl~~ Frank and you think
that it is worth \$75,00 per acre
I think you four out to buy
them out at the \$1500,00 I think
the money could be got here on
the place then there would be
no one in the way to keep it
from selling

Ike Knapp bought the Green
farm I think they claim
116 acres. It was sold for
\$9950,00 And Ike Knaps
automobile there is not
much cash in that deal

If Tom dont buy it then
he will leave the place, and
we will have to rent it to some
one and I would like to get
a good center on it, let me
hear from you soon
Your Brother
