

My dear Cousin! I suppose
you wonder why I have not
written, but I have been
real sick and don't feel
very good yet. I have a hired
girl, now are all you folks?
Seem like an age since I
have heard from you, why
don't you write. My mother
said she was going to
for Opla. tomorrow
thought you might
hear. Write me a
letter. With love. Love
Dorothy
