

Sept 18 - 1961

Dear Glendon + Family -
I thought I would tell you
that I ~~was~~ had a letter
from Helen the last of the
week and this is one of
the things she said "verbatim"

I suppose you have received
a notice along with a copy
of the will that is not valid
since Uncle Tom had told Aunt
Emma there was nothing for
her to do so she did not have
it probated. I think according
to law, Aunt Emma's heirs
would be the only ones to share
the Estate but Mary Chandler,
Mary Shirley, Helen Seeds and
Uncle Ott's girls as well as
myself feel that the will

Should be followed as much as
the law will permit. I have
told Marlin that I want him
to file a claim to reimburse
him for all the help he gave
both of them after Uncle Tom
took sick and he was always
helping Aunt Emma.

In fact he and Bernice were
the only ones that really did
much for them. of course

Nothing can be done until
after the 26th "unquote"

Helen painted walls in
the hall and stairway to-day
I will paint walls in ^{+ shelves} Closets.

Can't know how long it will
take me, as I will work at
it as the spirit moves me, but
