

Noxie Kaus

Sept 22nd 89

Dearest Mattie I
did get to baby last night
so I thought I would
write again. I did not
but what make you wan-
ted to hear from me
or know where I
was and I wanted to
any way so I thought
this would be a good chan-
ce. by the way this is more
of a job than I thought
for the man he sent
with me got sick yes-
terday and left the most
of the work for me to
do so it was pretty hard

I expect to start back
to Salina Tuesday mor-
ning and will get there
that night will go back
on a freight. and as
soon as I get to the
outfit I will write
again, there is two girls
here at this hotel that
seem awful flips they
want some one to squeeze
them But I will leave
that for some one else
to do they aint got
a bit of sense and dont
know much besides.
There was a dance in
the town we stoped at
night before last I looked
on till 9 O. clock and
then went to bed. they had
regular hoe down.
