Dear Irene and H.T.

I will try and write
a few lines. I am
anxious to hear from
you, we are all well
and it is sure hot & dry
every thing was alright
when we got home.

How is Fern and the
girls and what are they
going to do? I just cant
see why Walter was
taken away. when he
was needed so bad.
and wanted. when there
is so many that are

not, and are no good to
any one, one of Austin's
friends he bought mules
with a long time has
been sick for a year
and he said he had
rather be dead than
alive - he would be glad
to go, but Walter Oh Why?
I have been awful busy
since we came home
trying to get some
fruit up. Have about
200 qts up. I didn't
have any left over to
amount to any thing
well I don't know any
news so write soon

and tell me how you
came out all away
round Helen is at
Willie's she came home
and went back to stay
with Bess Willie has
gone to Texas to try
& find work. I have
a Canary Mable's uncle
