Dear Sister

Received your
welcome letter this am.
Was glad you are able
to write. Bettie called me
yesterday & said Walter
died Sunday night.
& the funeral would be
Tuesday afternoon at 2:30
p.m. but I could not
go. The days are short
& I would have had to
go alone. He has been
in the hospital a long
time & was in to see him
once & I don't go to Evid
very often I have been
& am always busy.

but that is the enjoyment
I get out of life. I have
lots of letters to write I have
heard from Carol since
he went over the big
sea. & I miss his sweet
letters. but I will keep
writing anyway. & so you
think I tell stories about
writing you. Well I may
not be as smart as some
are but one thing I do
know is when I write a
letter & who to & so that is
that & I can't help it if
you get them or not
but if I did not have
any thing to do that would
be different. but I have
always been busy & still
am. & I hope as long as I
