Dear Sir yours of the 26th
at hand Glad to hear from you but sorry to
hear that you have lost your wheat crop for
that dont leave you much of a chance unless
you raise cotton well will i have plenty
of work on hand at the present time if you
want to work for me you will have to join
the union as i am working union men
again they have raised the scale to 45 cts
per hour for first class mechanics but
you can get an Improvers Card which
will allow you to work for from 2.²⁷ per day
up to Top that is what you had better get
if you come over here than i can pay you
according to what you earn if you can
make good for Top you shall have it One
of Horas Boats Boys is here working at the
Trade i have built me a new House in the
Bellview Addition. an Eight Room House
will find me working Between 6th & 7th on
South Detroit Av. Come at Once Dont wait 2 weeks
