Mrs. Lydia Williams,  
Oxford, Georgia.

Dear Lidia:-

I am making up a family record and I want you to furnish me with the family record of your Father and Mother's family, giving each name in full, when and where married and by whom; giving Mother's maiden name in full; their death and place of burial; all of their children naming in full their births and death; and their children, giving in full where they live and where buried, and when this record is completed will furnish you with one of them.

If you need any help, get some one of the family to help you make out this record and send same to me with any comment that you may want to make as you know this record will be seventeen (17) families in number and I am going to depend on you to make out your family record. You may furnish this to me just as soon as you can do so, but please donot neglect doing so as early as you can.

You will notice that we are only asking for three generations, viz; Father and Mother, their children, and Son and Daughters children. If you want to go further than this, we would like to have it, but are not asking this of you.

Yours very truly,

*J. W. Starr*
