

MONTICELLO, GEORGIA

May 20, 1941.

Dear Mr. Starr,

Your letter of the 19th received and I'm sorry Brother has been neglectful in answering your request. He is very busy and too I have the family Bible which Daddy intrusted to my keeping about three years before his death. I shall be glad to furnish you with any information I possibly can and I think it is fine that you are carrying on this lovely project of your fathers. Certainly it will be a privilege to read it and I shall be a bit proud to know I had a very small part in helping.

We shall be so glad to have you stop and pay us a visit. Mr. Walton has been ^{here} practicing law for five years - and we have grown to love Monticello and its people daily.

on the back of this page I shall try to give you the information as clearly as possible. If you need more let me know and I shall make further inquiries.

Sincerely,

Charlotta Walton
