Dear Mr. Starr,

Mrs. Carter, your niece, has told me that I might find out something about my Starr Family from you so I am writing to see if you can give me any information.

My Great-grandfather was John Elijah Starr, b about 1780 in Wilkes Co Ga. married Hannah Townsend. His father was Henry Starr, (wife Mary) (Who?) and his brothers were Samuel, Caleb, Joshua, Benjamin, and one sister Amelia.

Do you know who Henry Starr's father was, where he came from to Georgia, or where from to the U. S.

There were five Starr Brothers who came from England to Pennsylvania in the 17th Century and I am trying to find a connection with one of these.

Am enclosing the lines as I have found them and hope you can help me find the missing link.

Yours sincerely,

*Marion A. Wilson*
