State of *Wisconsin* County of _____ SS.

In the matter of *Original Pension* Claim No. *728,828*
of *French B. White*

Personally appeared before me *French B. White*
aged *58* years, a resident of *Retreat*
in the County of *Vernon* and State of *Wis*
whose Post Office address is *Retreat, Vernon Co. Wis.*

well known to me to be respectable and entitled to credit, and who being duly sworn, declare in relation to the aforesaid case as follows:

In my application for pension recently made, I claimed pension on "Constipation and Piles" the result of Chronic Diarrhoea and Rheumatism. The same is wrong, but owing to negligence on my part, I did not notice the same until too late to correct. And I therefore make this statement with the request that said application be changed to read as follows: "Rheumatism, Constipation, and Piles" result of Chronic Diarrhoea, contracted at or near Lexington, Ky. I further request that when proof is called for to establish my claim, it be called for on the disabilities, as grouped last, as I was not afflicted with Rheumatism until after return home and it is a result of the Chronic Diarrhoea contracted while in service and in line of duty.
