

Statement of Frank A. White on
Reference to pension Claim No 7288
as requested by Commissioner of Pensions

I was enrolled the 22nd day of June 1865
Discharged at Knoxville Tenn. 25th day of
July 1865.

My P.O. address has been Retreat Vernon Co,
Miss. Since August 1865.

My Occupation was blacksmithing
from Nov 1860 until the spring of 1870
I then changed my Occupation to farming
on account of my disability - Chronic Diarrhea
and I have followed farming ever since
About July 65, while with my Co. {Co. J. 1st Regt
Ohio H.A.} at Lexington Ky. I contracted
Chronic Diarrhea - and was troubled with
it until I was discharged - some of the
time I was better and able for duty &
some times I was ~~very~~ bad -

I received treatment at Lexington Ky - I don't
know the names of the surgeons who treated me there
I was treated at Point Isabel - on Cumberland
River - Surgeon name Nelson B. Lafferty - I was
very bad there and was left there with the sick
by order of the surgeon - while our Regt. crossed
down to Knoxville Tenn. - de Lafferty's P.O. address
is Hillsboro Co. - but I am unable to get his
affidavit - as he says he kept no record and
does not remember me - In the spring of 64,
I joined my regt at Knoxville, and was treated
there by Dr. J. de J. Friestone & his assistants - I was

We wintered in East Tennessee, and I was
troubled more or less all winter
I was worse in hot weather and took
Medicine all this time.

We went back after Mr. Curren to Greene
& then to Knoxville where we were discharged.

Dr. Firestone died in February 1865 - so
I cannot get his evidence - and I never
knew the names of his Assistants.

I was troubled with the Disease for
five years after the war closed while
living here "in Retreat Wis," so that I done
but little work, on acct. of it.

I was treated during the time by
Dr. Brooks - who is now dead -

About this time Constipation & Piles
set in and have been with me ever since
And Rheumatic Pains in both joints &
head - with Queering Feelings, -

Dr. Suttle of Virgoque Wis has treated
me a part of the time and I have had
some treatment part of the time but
grow worse all the time - I have not
been able to do more than $\frac{1}{2}$ a mans
work since I was discharged - and am not able
to work more than $\frac{1}{3}$ of the time now.

I have tried to find Gen. C. L. Wiggins of our Co.
but can not hear from him - I have written
to his last known address, Lawrence Rock Co.
Wis.

The other Commissioned Officers I can
not find any address.

I have sent in all from Dr. Suttle?

CALL FOR HISTORY OF CLAIMANT'S DISABILITY.

Department of the Interior,

BUREAU OF PENSIONS,

Washington, D. C., March 12, 1890

Sir:

In the claim for Invalid Pension No. 728.828., of French B. White, the claimant is requested to state his place or several places of residence (actual post-office addresses—in cities, the names of streets and numbers), and what his occupation has been during the period from his discharge to the present time, giving approximately the dates of any changes in his residence. He should also give a full and circumstantial history of the origin of his disability, and its continuance from the time when it first appeared, mentioning all medical treatment which he has received, and the names and residences of his physicians, and which, if any of them, are deceased. He should also state whether at any time and for what period or periods, giving dates as nearly as possible, he has been prevented from following his usual occupation by reason of the alleged disability.

Until the foregoing shall have been furnished, further action can not be intelligently taken in this claim, and a prompt reply will facilitate its early settlement.

Very respectfully,

Mr. French B. White

Geo B Raum

Commissioner

Retreat

Vernon C. Wise.
